MEMORANDUM FOR: DCI  
DDCI

FROM: Dave Gries

SUBJECT: Your Meeting with Representatives Bill Chappell Jr., (D., FL) and Joseph M. McDade (R., PA)

On Tuesday 20 May, you and I will meet with Representatives Bill Chappell, Jr., and Joseph McDade of the House Appropriations Defense Subcommittee. Mr. Chappell is the new Chairman of the Subcommittee, replacing the late Mr. Addabbo.

Possible topics for discussion would be:

-- Their views of fiscal austerity measures and how the Agency will fare in budget cuts.

-- Their interest in possible additional legislation to prevent "leaks". (Both were very interested in the Yurchenko and Howard cases and the role "leaks" may have played in them).

All portions CONFIDENTIAL
